BEARly Resisting (Romance On The Go)

Synopsis

Killian knew his mate was out there. Being celibate in hopes he'll find his female hasn't been a hardship, but he's growing impatient. And then he sees her. She's human, gorgeous, and will be his. He doesn't even know her name, but her smell is sugary and tells his possessive inner bear she's supposed to be his in all ways. Alice planned a weekend of relaxation, but instead, she found herself mated to a bear shifter. Alice doesn't fight the attraction she has for Killian, not when she wants to be between the sheets with him in the worst possible way. Alice is single one day and mated to a growly bear shifter the next, but can it last forever? *This title was previously published as Feral Cravings. It has had a complete overhaul, new content has been added, old content has been taken out, and it has been re-edited.*

Customer Reviews

Alice is looking for a good time. A weekend of drinks with her friend at a lodge and maybe more if someone catches her eye. That "someone" is Killian. Alpha of his pack and owner of the lodge, he is the whole package of weekend delight. But he's looking for something too. Killian has been

searching for his mate for 20 years. Alice's shifter knowledge is sparse but she's about to get a crash coarse. If Killian has his way she'll be his forever. As always I love Jenika's books. My only complaint I ever have is I want more of them! They're way too short and I'm always so disappointed when they're over. Result, because Jenika always has another found it was for waiting on the sidelines for release. I can't wait for the next one.

When Killian was younger he decided to stop having sex knowing he would find his mate one day. Alice knows there is something missing in her boring life so she heads to her best friend's cabin for the weekend. She knows the little village is filled with shifters and hopes she can meet a hot sexy shifter this weekend. Little did she know what was in store for her. Killian meets Alice at a dinner and knows she's the one. Does Alice believe Killian when he tells her she's his mate? You should definitely read this short sexy little read. I really loved BEARly Resisting. When it ended I was sad it was over. I really really really wanted more. Jenika is so amazing!! Love all her work!!

I love these type books, when time is short and I need a mental health break, or a quick light read. . . A steamy short story of bear shifter whose lived a celibate life for the last 20 years waiting for his true mate. Loved Alice and Killian's story. If the names are familiar, you would be right if you read The Leucross Wolves, Feral Cravings. Alice and Halle were still BFF, but Killian was a wolf, who had a twin, and both had claimed Alice. A fun alternative universe for an old favorite series.

3.5 seriously hot stars! I loved this short shifter romance! It's an insta-love(of course!) story told from the dual POV of Alice and Killian. As with all short stories like these the information and plot don't go to deep but the sexy times were seriously hot! I want more of Jenika's shifters. Maybe Halle needs someone?!
