Average Customer Review: 5.0 out of 5 starsÂ Â See all reviewsÂ (1 customer review)

Best Sellers Rank: #762,789 in Books (See Top 100 in Books) #20 inÂ Books > Medical Books > Dentistry > Oral Pathology

Customer Reviews

I read this book first when I was 18 and it changed my life emencely over the following years because it opened my mind to the fact that not all information comming from our universities is unbiased. I'm now 77 and in perfect health because of what I was tought in this book. I re purchased it because I missplaced my original copy.
