Dental Radiography Principles And Techniques (English) 4th Edition

Synopsis

Providing essential coverage of dental radiography principles and complete technical instruction, *Dental Radiography: Principles and Techniques*, 4th Edition, is your key to the safe, effective use of radiation in the dental office. The first ever full-color dental radiography resource, this combination of a textbook and a training manual guides you step-by-step through common procedures, with accompanying illustrations, case studies, and interactive exercises to help you apply what you've learned to practice. About the Author Joen Iannucci, DDS, MS, Associate Professor of Clinical Dentistry, Section of Primary Care, Director, Sterilization Monitoring Service, The Ohio State University, College of Dentistry, Columbus, OH and Laura Jansen Howerton, RDH, MS, Instructor, Wake Technical community College, Raleigh, North Carolina ?
