# One Night Series: A Billionaire Romance Box-Set

## Synopsis

The One Night Series: A Billionaire Romance Box-Set includes all three novellas to give the readers a complete novel. Logan Black, the wealthy playboy turn's Angela Stephens world upside down in more ways than she can imagine. Nothing is as it seems when two people desire more from life, and fight against all odds. One Night, One More Night, and Forever Night have come together for one alpha packed romance. Due to sexual situations, this novella is not intended for readers under 18.

## Customer Reviews

originally review this book when it was initially published as a three-novella series. I really enjoyed the story and the leading characters.I was given a copy of this book by the author in exchange for an honest review.One Night is the first in a trilogy, but it could be read as a stand alone short story.This is the first published work by the author, and it is pretty good. Much of One Night is devoted to setting up the three-novella series with descriptions of the main characterâ™s life and marriage. The back ground gives the reader insight into why Angela decides to have a one night

stand. While adulterous flings are frowned upon, and revenge sex even more so, the author did not shy away from the topic. Both Angela and her husband, Christopher, travel perpetually for business. The reader isn't given insight into why they got married in the first place, but it is clear that nothing is being done to maintain the relationship. One Night is an excellent example of the fragility of marriage and how easily vows are forgotten. While the ending of the book is not a complete surprise, I enjoyed the rom-com-esque final scene. One More Night is the second novella published by A.M. Willard, and it is the second book in her One Night Trilogy. The plot moves along at a good pace with more focus on action than story setup. Angela has returned home. She wants to make her marriage work. In an effort to put some zing back in her marriage or put the sting on her husband's affair, Angela calls his secretary looking for information about Christopher's travel schedule. She gets that and more. That fateful phone call is the catalyst for the avalanche that is Christopher's and Angela's imploding marriage.
