Customer Reviews

I really love these short story collections, you really can't beat the price of them for ten books in one! I'm a big fan of short stories, and these are the perfect to read before bed without them being too long. These are really well written, and a lot more entertaining then some of the other short stories that I've read. They have attractive characters and all of the story line are unique in their own sense. Overall, a really good collection and I'd definitely recommend it!

Horrible! Horrible, horrible. So poorly written that it detracts from the content. I get it, we don't need

Tolkien for this type of thing, but it's unreadable. It doesn't even make sense! I think English is not this author's first language. That doesn't necessarily have to mean it sucks, but it's pretty painful in this case. I couldn't delete it from my Kindle and phone fast enough.

The stores were great. Hot as hell actually. Unfortunately the terrible grammar and spelling kept distracting me. Makes me sad.

Wow. Many stories and even more Fascination. A hot group bundle . I do recommend

This was not what i expected . I thought I was getting 10 short stories at the very least . It's just clips of stories or an excerpt .

This really was very x rated. Just make sure when you finish reading, your husband is nearby. Very erotic book.
