## Synopsis

Johann Wolfgang von Goethe ( 28 de agosto de 1749, en Fráncfort del Meno, Hesse, Alemania â “ 22 de marzo de 1832, en Weimar, Turingia, Alemania) fue un poeta, novelista, dramaturgo y científico alemán que ayudó a fundar el romanticismo, movimiento al que influenció profundamente. En palabras de George Eliot fue "el más grande hombre de letras alemán... y el último verdadero hombre universal que caminó sobre la tierra". Su obra, que abarca géneros como la novela, la poesía lírica, el drama e incluso controvertidos tratados científicos, dejó una profunda huella en importantes escritores, compositores, pensadores y artistas posteriores, siendo incalculable en la filosofía alemana posterior y constante fuente de inspiración para todo tipo de obras. Sus ideas acerca de las plantas y la morfología y homología animal fueron desarrolladas por diversos naturalistas decimonónicos, entre ellos Charles Darwin. Su apellido da nombre al Goethe-Institut, organismo encargado de difundir la cultura alemana en todo el mundo

## Customer Reviews

Independiente de la obra de Goethe que es un clasico las 2 estrellas son para la editorial. La edicion es en español y contiene varias erratas. El libro no lo dice por ningun lado: esta es solo la primera parte de la obra.

Hello,I bought this book as a gift to my mother. She is a retired teacher and have a tutoring center.

She loved the books that I bought from the seller. Great price!!!!Great service and fast delivery from the seller!!!!!!Thanks!

It is a classical novel from a classical german author. It is a book very important within the World-wide Literature. Its reading is complex but very illustrative of the men's ambitions, when it relates the relationship between scientific and the devil. I like the plot of this novel.

Definitely a true classic book, you should have one next to your bed. The translation is not the best, is offset by the value in this version, you can sacrifice a little.

Though the novel is excellent, the quality of this e-book is horrible: character names are misplaced, it has missing parts and misspelled words. There is a same exact version in pdf you can download for free in the internet.

I like the way the author presents the psychological struggle between reason and uncontrolled ambition. The main character, in spite of having the necessary experience and level of education, succumbed before the hedonistic impulses of his superficial soul. I recommend this book to young and unexperienced people.

Obra maestra, que duro casi toda la vida para Goete. Cambiaba y maduraba Goete y con el cambiaba su personaje Fausto...Obra - mas alla del bien o mal. Les recomiendo despues - leer MAESTRO Y MARGARITA del MIJAIL BULGAKOV ...porque " manuscritos nunca se queman" !

Malísima traducción para un gran libro, muchos errores que, luego de ver que el diccionario no encontraba la palabra, dejan mucho que desear
