Sweethome: The Bannister Series #2

Synopsis

Maude Lesko is desperate to know if her daughter is alive or dead. She approaches Matt Bannister, the new U.S. Marshal, for his help. The marshal promises to check on Abby if he's ever in the area. Unknown to both, Abby lives in a dark and hopeless world of abuse and imprisonment in Sweethome, Truet's life changes dramatically when a horrific crime affects his family. When the law is compromised, Truet takes matters into his own hand and is forced to flee Sweethome. Tyrannical Bob Thacker in his usual manner demands that the U.S. Marshal come to Sweethome to find Truet. The Marshall arrives to face a bee's nest of emotions. To do what's right, He goes after Truet to bring him back to be acquitted for his crime. When Thacker learns of the deception he puts a bounty on the lives of both men. Bannister and Truet are forced to fight together to get home alive.

Customer Reviews

Another captivating novel with an interesting array of characters but I had some difficulty with the description of cruelty in mistreatment of some of the characters. The author seemed to get carried away while thinking up weird ways of hurting people. It made for some hard reading at times.

Although you probably won't find this Christian author in many Christian book stores because occasionally you'll find words like hell and damn written into to provide true feelings in the story (generally, the good folks didn't use them, but the bad ones did). The Christian message surprised me. It stands-out among some of the best of any Christian fiction I've read, and I've read many over the past 20 years. In the "Matt Bannister Series" the author brings to life strong and realistic characters as well as details of their surroundings. These are stories where personal interaction, action and conversations rule the day. Very few dull moments. Lots of soul searching, as well. Like any really good story you'll find your every emotion coming to life. At times, I found myself shouting at someone because of their tenuous situation or outrageous behavior. No doubt about it, you'll be drawn into their lives. These stories are very vivid at times, and in ways that you won't find in just every Christian novel. However, there are many, many occasions where Scripture is presented to give a deeper truth and meaning to the circumstances of the lives involved. There is no doubt, in my mind, as to the author's Christian authenticity his walk in that life. I think you'll find these books among those you can't put down once you've started. I know it's going to be difficult for me, finding other stories that hold my attention and that equal the qualities which I enjoy in these. They truly do meet my every expectation for this genre. I certainly hope Kenneth Pratt will continue writing. In my book, he's a very good author. I'll certainly purchase more of the "Matt Bannister" series when they are released.

Great story. Great writing and an edge of your seat adventure all the way. What a read from start to finish and the suspense was well worth the ride. Loved this one folks. Excellent writing style, leaves nothing to the imagination. Hope there are more to continue this exciting adventure with Marshal Bannister. This one was probably the best western I've read in years....

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author
