The Scattered And The Dead (Book 2.0): Post Apocalyptic Fiction

Synopsis

Bring out your dead. The Scattered and the Dead series continues with 632 more pages of post-apocalyptic survival. With 99.7% of the population dead and gone for coming up on six months, what's left of humanity is scarred, sinewy, whittled into something lean and hard. But the scattered survivors are still here. Life goes on. Something like life, anyway. The worst of their first post-apocalyptic winter may be behind them, but the scattered enter spring with dwindling supplies. Some will fortify their current residences and double down on their scavenging efforts. Others will leave all behind to journey into the unknown. But violence and death wait behind all corners in the empty world. Every crossing of paths turns to conflict. Every choice carries the weight of life and death. Not all will survive these encounters. Catch up with Erin, Izzy, Baghead, Delfino, Ray, Lorraine and more as the Scattered and the Dead saga continues to unfold. BOOK 2.0 picks up where BOOK 1.5 left off. Recommended reading order for the Scattered and the Dead series: The Scattered and the Dead (Book 0.5) The Scattered and the Dead (Book 1) The Scattered and the Dead (Book 1.5) The Scattered and the Dead (Book 2.0)

Customer Reviews

Some post-apocalyptic zombie stories are so predictable that the only thing keeping you reading is the zombie-head-smashing action. Some are so full of zombie-head-smashing that you can't see the cardboard-cutout-characters for the blood. Some are so focused on methodical survival that they could be the curriculum for a prepper's TEOTWAWKI course. And some are so dark that you can't imagine anyone wanting to survive in that sick new future, let alone actually thrive in it. But *The Scattered and the Dead* is not like any of those post-apocalyptic zombie stories. In this series, Vargus and McBain have struck an incredible balance between character, action, story, survival, dark, light, and oh yeah, zombies. It's the total package. Weaving together strands from the characters who fascinated us from the previous books with unpredictable newcomers, *The Scattered and the Dead Book 2* takes us on a journey through the worst of human nature: A sadistic psycho driven to torture and kill. A corrupt community where no one is going to punish a murderer because he has connections. The creation of a cult by false prophets preying on their follower's desperate desire for miracles. The realities of scarcity and the lengths the survivors will go to take supplies from each other. However, unlike some post-apocalyptic series, *The Scattered and the Dead* isn't a complete condemnation of humanity. The authors didn't just slap some evil characters onto the page and call it a day. They built real, living, breathing humans out of words, then let those humans interact with the world. What came out was dark, definitely, but there was light in it, too. Book 2 is both a look at how awful humans can be to each other...and how beautiful they can be to each other.
