El Martir Del Gulgota: Uno De Los Maestros Mas Reconocidos Del Mundo Trasmitiendo La Historia De Jesus El Martir Del Gulgota (Spanish Edition)

Synopsis

En el májrtir de GÃ lgota, Enrique PÃ©rez Escrich, uno de los maestros y escritor de la literatura folletinesca del siglo decimonÃ nico espaÃ ol, escribe la vida de Cristo, en un juego entre lo histÃ rico y lo novelesco, a travÃ©s del cual trata de relejar el escenario polÃ-tico de Judea en la Ã©poca del nacimiento del nazareno, el mundo en de composiciÃ n de la Roma imperial, la secuencia histÃ rica de la vida de JesÃs a la luz de los evangelios, la fidelidad a la esencia de su doctrina y la persecuciÃ n de los cristianos por el paganismo romano. Su obra estÃ construida con los andamiajes de una novela histÃ rica: hay en ella un esfuerzo por la documentaciÃ n, un trabajo previo, minucioso y erudito de investigaciÃ n, al que se debe aÃadir un ingenio capaz de mostrar, mÃs allÃ del hecho llano, el espÃ-ritu, la vitalidad, la presencia misma de una Ã©poca, y de un personaje, cuya imagen de májrtir inolado quedÃ enclavada en la posteridad.

The approach of the writer towards the different characters who lived before and during the arrival of Jesuschrist is captivating. The lives and backgrounds of such pivotal elements inside the catholic religions such as Dimas, Gestas, Maria Magdalena and Herodes himself are so incredibly well described as if we were reading their biographies. I read the spanish version of the book and I don't know if an English version exists, but the structure of the book is beautiful just as the words used to express the emotions and feelings of characters in this novel . It's just as if each sentence inside the book was rewied over and over to perfection. What I really liked about this book is that it is not just

another book about the life of Jesus Christ but it explores the backgrounds of all the different characters at that time and how all their destinies get together by the time of His crucifixion and leads us to think about who were these persons so important to the Catholic religion and all the Catholics around the world.

This particular book is dear to me. I read it when I was a young girl while I lived in a Catholic boarding school in Peru run by Franciscan nuns. I searched looking to find it to read it after many years. I was lucky to find it here. It's the most compelling history of the life of Jesus not much as the son of God but as a human being and to the people that surrounded Him. I bought 4 copies to give it as presents. I wanted to share this memorable history. I still read it from time to time! I love it, it takes me back to the days when I was innocent and carefree! Thanks!

The digital transcription in Spanish is dreadful. Each page takes about misspelling, incomplete words and symbols instead of letters. The content is very good, however these orthographic errors interfere with a coherent reading. I would like to read a corrected version of this book, otherwise, I do not think I will finish reading without having frustrated a decent reading.

The product was great, the service provided I can't complain. This book my dad always wanted, I finally found it. This book talks about the Bible, as a kid my dad always talked about it, I recommended for people to get more knowledge on Jesus and I hope they can buy it to see for themselves.

I have not received my copy but, I'm so excited to read it again. I also read it when I was young and loved it!!...(many many years ago). I am glad I found it again, can't wait!!!
