Recuerdos De Un Cirujano (Spanish Edition)

Synopsis

"Recuerdos de un cirujano" es un libro de relatos. De relatos protagonizados por enfermos que vivieron pequeñas o grandes aventuras de hospital y de quirófano, es decir, de sangre y de dolor, pero también de alegría y de esperanza. El amor a la cirugía, a la forma más bella, artística y eficaz de ayudar al hombre enfermo, impregna cada una de las narraciones de este libro, del que dice José Luis Mediavilla en su prólogo que está escrito navegando entre el corazón y el cerebro, entre los afectos y la razón | libro de recuerdos, breve pero denso, dramático a veces pero siempre enternecedor. En estas páginas el lector encontrará el reflejo literario de las penas y alegrías que con frecuencia comparten cirujano y paciente, el ameno relato de los desvelos, cuidados, insomnios, temores, aprensiones, angustias, dudas y un sinfín de otras vivencias que son comunes al que opera y al que es operado, y que, entre todas, tejen el apasionante entramado de la auténtica cirugía.
