With Love From The Inside

Synopsis

Angela Piselâ€™s poignant debut explores the complex relationship between a mother and a daughter, and their quest to discover the truth and whether or not love can prevailâ€”even from behind bars. Â Grace Bradshaw knows the exact minute she will die. On death row for murdering her infant son, her last breath will be taken on February 15 at 12:01 a.m. Eleven years, five months, and twenty-seven days separate her from the last time she heard her precious daughterâ€™s voice and the final moment sheâ€™d heard anyone call her Mom. Out of appeals, she can focus on only one thingâ€”reconnecting with her daughter and making sure she knows the truth.

Â Â Â Â Â Â Â Secrets lurk behind Sophie Loganâ€™s big house and even bigger bank account. Every day when she kisses her husband good-bye, she worries her fabricated life is about to come crumbling down. No one knows the unforgivable things her mother did to tear her family apartâ€”not her husband, who is a prominent plastic surgeon, or her â€œsyntheticâ€• friends who live in her upscale neighborhood. Â Â Â Â Â Â Â Graceâ€™s looming execution date forces Sophie to revisit the traumatic events that haunted her childhood. When she returns to her hometown, she discovers new evidence about her baby brother Williamâ€™s death seventeen years agoâ€”proof that might set her mother free but shatter her marriage forever.

Â Â Â Â Â Â Â Sophie must quickly decide if her mother is the monster the prosecutor made her out to be or the loving mother she remembersâ€”the one who painted her toenails glittery pink and plastered Post-it notes with inspiring quotes (â€œ100 percent failure rate if you don't tryâ€•) all over Sophieâ€™s bathroom mirrorâ€”before their time runs out.From the Hardcover edition.

WITH LOVE FROM THE INSIDE by my new favoritist author, Angela Pisel--and my new best friend--is better than a 5-star book. Wow. I haven't cried this hard over a work of fiction since Snape died!! This may be Angela's first published novel, but it clearly demonstrates her amazing writing ability--her awesome storytelling skills. Wow. I had the wonderful joy of meeting Angela at Barnes & Nobel in Hickory, NC the evening of the release of WITH LOVE FROM THE INSIDE, Tuesday, August 9. My counselor had told me about the release of Angela's book and suggested that I might like to meet Angela, especially since she's from Hickory and is a writer--and I am, too. (I just don't have anything published beyond my blogs.) So I ordered her book from , put the date on my calendar, and waited anxiously to meet a local author. I was so excited about meeting Angela, I was there--with my friend--at 4:30 even though she wasn't scheduled to be there until 7:00! I even got a front row seat!!! Angela shared some facts and statistics and other interesting information about her book and then she read a few passages--both of which were really intriguing. The irony is that when I read the 2nd passage myself just a day later, even though Angela had read it the night before at her reading, I bawled like a baby--as if I'd never heard that section! And I didn't stop crying throughout the whole book. In fact, I kinda-sorta cried the first 3/4 of the book, but from about page 250 on, I cried non-stop. By the end of the book, I was sobbing so hard, I couldn't see the words on the page through my tears. I had to stop and allow myself a good five-minute crying-fest where I went through about 10 Kleenex. Don't let the tears keep you from reading WITH LOVE FROM THE INSIDE.
