Synopsis

Doma PublishingÂ presents to youÂ The Anne of Green Gables Collection, which has been designed and formatted specifically for yourÂ Kindle. Unlike other e-book editions, the text and chapters areÂ perfectlyÂ set up to match theÂ layoutÂ andÂ feelÂ of a physical copy, rather than being haphazardly thrown together for a quick release.Â This edition also comes with aÂ linkedÂ Table of ContentsÂ for both the list of included booksÂ andÂ their respective chapters. Navigation couldn't beÂ easier.Â Purchase this Anne of Green Gables Series andÂ treatÂ yourself to the following list of works featuring the lovableÂ Anne Shirley and written by L. M. Montgomery:Anne of Green Gables Series, Anne Shirley's age:Â Anne of Green Gables, (1908), 11-16Anne of Avonlea, (1909), 16-18Anne of the Island, (1915), 18-22Anne's House of Dreams, (1917), 25-27Rainbow Valley, (1919), 41Rilla of Ingleside, (1921), 49-53Related books featuring Anne Shirley:Chronicles of Avonlea (1912)Further Chronicles of Avonlea (1920)Poetry Collection:The Watchman, and Other Poems*BONUS other works by Lucy Maud Montgomery:Kilmeny of the Orchard (1910)The Story Girl (1911)The Golden Road(1913)Note: This Series is missing Anne of The Ingleside and Anne of Windy Poplars. Unfortunately, the rights for these two books aren't yet available for Kindle publishing. To make up for it, we also included Bonus Books of Pride and Prejudice by Jane Austen, and Call of the Wild by Jack London. Enjoy!Thank you for choosingÂ Doma House Publishing. We look forward to creating many more affordable Kindle Classics for you to enjoy!

Customer Reviews

Two years ago I would have bet a bazillion dollars I would never read a "girls" book. But at 71 years of age I found myself in a house full of books only one of which I had not read. I am terribly addicted to reading so, in desperation, I started "Anne of Green Gables". It is a marvelous book with a main character I wish I could meet every day in real life. Again to feed my addiction I bought the "Anne of Green Gables" series. Each book was a delight and I soon forgot that they were "girls" books. Maud created a character we all need in our life. She turns the mundane magical and believable. Reading them all in nearly a continuous setting makes Anne "wearying" to quote Marilla since unbounded child-like wonder is hard to maintain. I wish I had read these books decades ago so Anne could have helped me through some less than happy times.

I think it goes without saying that I love the Anne books, so I will keep my review to one strictly of this Kindle edition. While I am only about half through the first book (and will certainly update my review if it changes), I'm pretty thrilled with this collection. It's exactly as the description claims: it's easy to jump from one book to another using the Table of Contents. Once you reach the desired book, it is easy to jump from chapter to chapter. I'm giving this only four stars, because the editing isn't perfect; I've noticed a couple odd words and phrases. (Example: "Parthian shot" became "Parthian shaft.") Thus far, however, they are minor and have not significantly impacted my enjoyment. And for the price (I paid \$0.99), it's certainly not a big deal. Over all, I highly recommend this collection. As I stated, if my opinion changes as I read further, I will certainly update my review.

I love these books and already had most of them in audiobook form. I bought this in order to get the books I didn't have. However, if you just want the audiobooks, this purchase is not necessary. The audiobook links given on the kindle just direct you to a website (Annebooks.com) where these audiobooks are available FREE to anyone. They are not the best of recordings since you get volunteer readers and usually a different reader for each chapter. BUT, they are free and you can't beat that. So if you want this to read on your Kindle - it's an awesome deal. If you want it for the audiobooks, don't bother.

This is a great compilation of 11 Anne of Green Gables books! I chose this edition after sampling various other less quality versions on . The eBook is very well formatted and reads like a charm on my Kindle 2. As a long-time Anne of Green Gables reader, having this compilation is great for when I feel like revisiting Anne of Avonlea or Anne's House of Dreams. These are truly wonderful stories and you just get lost in the world of Green Gables thanks to Lucy Maud Montgomery's fantastic use of imagery.Just get this edition and let Anne take you on a wonderful journey!

This collection contains some of famed Canadian author Lucy Maud Montgomery's best work, including the first six novels about her incomparable character, the imaginative red-haired orphan Anne Shirley, who grew up on the Prince Edward Island farm of Green Gables."Anne of Green Gables" is the introduction to Montgomery's heroine, who comes to a bachelor farmer and his spinster sister by mistake, and ends up making a family out of them. The novels included in this collection cover her childhood, her time as a young school marm, her college romance, the early years of her marriage to a country doctor, and the raising of her many children. The concluding novel centers on the coming of age of Anne's youngest daughter during the difficult days of the First World War.Also included are two collections of short stories about Anne Shirley's fictional hometown of Avonlea, where Anne is a supporting character in the adventures and misadventures of her neighbors.Another novel in this collection, "Kilmeny of the Orchard", is a short romance, in which a young man and young woman are separated by an unusual handicap.As a real bonus, this collection includes "The Story Girl" and "The Golden Road", two novels about the young Sara Stanley and her adventures growing up with a group of cousins on Prince Edward Island. Montgomery consciously modeled the Story Girl after her own childhood. The two novels are both funny and touching.This collection by Lucy Maud Montgomery is very highly recommended to her fans, and to new readers who may find her novels and stories as addictive as her fans have.

My mother suffers from Alzheimer's and is totally dependent on others for everything, including entertainment. At least once a week, I and go and read to her. I think it is a nice change of pace that she really seems to enjoy.Mom was always a fan of Anne of Green Gables, so I downloaded this version to my Kindle Fire. We are having a wonderful time together, reliving Anne's dramatics.

It is too bad that the rights for Kindle to put book number 4 and 6 into digital form have not been arranged yet or allowed, but that is not this publishing house's fault! It is quite as perfect as it can be

and at a wonderful price! The books are so much better than the movies! Such a wonderful story line! :)
