# Benched Boxed Set: Ice Hockey Romance

## Synopsis

FREE BONUS BOOK INCLUDED - #1 BILLIONAIRE ROMANCE! During warm-ups, I used to skate to a rap song about having a ton of problems. And a b\*tch ain't one. That's me. Because I caught my fiancé screwing my own brother. Now they're both dead to me. I saw Julia for the first time since college curled up on a chair in my hospital room. She overtook my damaged senses like a fresh tropical breeze. She's lush. Decadent. But there's more ... Julia Wales is successful and kind. Nothing like her. Not since my injury have I shown a woman my scars. Until now. And there's no going back.

## Customer Reviews

The Benched Boxed Set is composed of 3 books that tell the story of Adam and Julia's love. Adam Spencer, a star hockey player and Julia Wales, a decorator, had known each other as children. She's the sister of his best friend. In fact, you might say that Adam was Julia's first love. Her description of when she fell in love with him is priceless! As the series begins, Adam walks right into the midst of his first agonizing betrayal. His fiancée is in bed with his brother, no less! Because he's out-of-control angry, Adam makes some poor decisions and ends up in the hospital. That's

where Julia is introduced to the scene. She sees him come into the Emergency Room and recognizes him immediately. She has known and loved him for so long and vows to stay by his side in the hospital until he's well. She does remain beside him through his physical therapy and sports rehab but their friendship is threatened by cheaters, liars, destructive and cunning individuals who do not want to see Julia and Adam happy. The 2nd book deals mainly with Julia's trauma over losing her business, disparaging remarks in the media about Julia and Adam that you can feel they are headed to a major blow up. There are twisted, nasty and unconscionable people out to destroy them as a couple. These twisted people are so consumed by jealousy that their behaviors can hardly be called human! Heather and Carter are the definite villains and you just hope they get a taste of their own medicine. In the 3rd book, all of the lying and plotting blows up in front of the public on television and it's more than enjoyable to see each one of the perpetrators get his/her own!! Through all of this, the relationships become clear and the treachery is sickening.
