Marina (Vintage) (Spanish Edition)

Synopsis

Cuando Áscar desaparece de repente, nadie sabe de él por siete días y siete noches. En la Barcelona de 1980 Áscar Draí sueña despierto, deslumbrado por los palacetes modernistas cercanos al internado en el que estudia. En una de sus escapadas conoce a Marina, una chica delicada de salud. Ella lo lleva a un cementerio donde juntos son testigos de un macabro ritual que sucede el último domingo de cada mes sin falta. A las diez de la mañana una mujer vestida de negro desciende de su carosa y le pone una sola rosa a un panteón sin nombre. Cuando deciden seguirla, juntos comparten la aventura de adentrarse en un enigma doloroso del pasado de la ciudad. Un misterioso personaje de la posguerra se propuso el mayor desafío imaginable, pero su ambición lo arrastró por sendas siniestras cuyas consecuencias debe pagar alguien todavía hoy.

Customer Reviews

Marina is a great novel. It belongs with the great novels of the magical realism of the Spanish language. Reading CR Zafón is a great pleasure. I recognize that in the not too distant future, the author will be collecting a Nobel prize for literature. Reading Zafón feels like gliding down hill on powder snow down a lovely mountain trail.

This was the fourth of Zafon's novels for me. Like the other ones, it's exciting with multiple twists and endearing characters. It's hard to put down. The Spanish is flowery and I certainly had to use my dictionary. It's not as good as *The Shadow of the Wind*, but most novels aren't.

it is a very fresh novel written early in the Authors career, as usual Ruiz Zafon immerses us in the fascinating scenario of Old Barcelona with a combination of mystery, tender love and the world of adventures

Hermosamente narrada, esta historia toca la sensibilidad, la fascinación, el miedo, el amor, la esperanza y a la desolación, entre otras muchas cosas. Una de las mejores novelas que he leído. Lo recomiendo para aquellos que se enamoran de sus libros.

I could not stop reading it! I literally read it in two days.. It is a little macabre and sad, but the language is quite nice

Como siempre cuando Tomas un libro de Carlos pasas a otra dimension y no paras de leer, y luego lo inevitable el fin

Me gusto mucho.Como todas las novelas de este escritor.Diferente a las de mÃ¡s novelas de el pero muy interesante.

La prosa de ZafÃ n como siempre riquÃ- sima. Buena historia, buenos personajes en esta novela juvenil y gÃ tica.
