Dark Enemy: Taken (The Children Of The Gods Paranormal Romance Series Book 4)

Synopsis

"I still can't get over just how absolutely amazing this series is!! To intertwine Greek Mythology and history in all aspects as well as current events is absolutely mind blowing! So much so that when you really look at it can certainly seem plausible..." "Move over Romeo and Juliet!" "Once in while a book or series comes along that simply won't let you put it down and this was one of those great finds! I normally find myself skimming through characters to get to the ones I like, but not this time! I loved every sentence of every character introduced and simply want more!" •I.T. Lucas's talent for the written word certainly deserves its own unambiguous round of applause. If not for the aforementioned, then certainly for the accolade due to a read engrained with a flawless buildup and execution of developments. •- OnlineBookClub.org

Book four in the Children of the Gods series begins where book three ends, with Amanda's abduction by Dalhu. Amanda and Dalhu are near immortals, and their respective clans are at war with each other. Both clans originate from the mythological gods and had been at war since antiquity, when the God Mordth, the God the Doomers worship, had been spurned by the goddess Annani, the matriarch of Kian's clan. He had sworn himself as well as his descendants to wipe out Annani together with her descendants, and to obliterate the gods' matriarchal tradition of a woman's right to choose her mate. The Doomers adhere to his hateful patriarchal legacy, and to keep human society at large from achieving democracy and enlightenment they manipulate global affairs and instigate wars. Dalhu's sees his chance encounter with Amanda, the immortal female he's fascinated with, as fated and doesn't hesitate to jump on the opportunity. At long last his dream of having an immortal mate comes true, and it doesn't matter that she wants no part in it. He is going to do his damndest to win her over. Dalhu's efforts are working and Amanda is softening toward him. She finds the tall and handsome Doomer hard to resist. But their Romeo and Juliet story has more problems than the hatred between their clans. Amanda is a professor of neuroscience while Dalhu is an uneducated mercenary, she is rich and used to luxury while he has limited resources and no real job skills aside from being a killer for hire. But the biggest obstacle, one that Amanda doesn't realize yet, is that Dalhu is responsible for her nephew's Mark murder. In this forth installment, the character development focuses mainly on Amanda and Dalhu, and to a lesser

degree on Syssi's brother Andrew, who has his eye on Amanda as well.
